Important Information about our Licensee

Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you
- how we and our associates are paid and any other benefits we may receive
- any potential conflicts of interest we may have
- how we protect your privacy and handle your personal information
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

Other documents you may receive

In addition to this FSG, when we provide you financial advice we will also present you with a written Statement of Advice (SOA).

This will describe:

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that may influence the advice we provide.

After that, any time you receive further financial advice from us, we will either provide you with another SOA or give you (or keep our own) written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details.

To help you make an informed decision about a financial product you generally will be given a Product Disclosure Statement (PDS) which outlines the product features and costs in detail. In certain circumstances it is not a requirement that you be given a PDS (including, for example, where you already have one).

Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the "Contact us" section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

This insurance also covers the conduct of our advisers who were authorised by GWM Adviser Services at the time of providing the advice, but are no longer authorised representatives of GWM Adviser Services at the time of your complaint.

Payments and benefits we receive

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- by direct invoice from us for initial and ongoing advice;
- via commission we may receive from a financial product provider when you commence an insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

Other payments we may receive

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

Benefits we may receive

Sometimes in the process of providing advice, we may receive benefits from product providers.

Conferences

We may attend conferences and professional development seminars that have a genuine education or training purpose. GWM Adviser Services Limited, or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

Non-monetary benefits

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and \$300, and those that relate to genuine education or training and technology software or support.

You can view an extract of the register by contacting us. Please be aware that GWM Adviser Services Limited may charge you for the cost of providing this information to you.

Sponsorship

GWM Adviser Services Limited receives cash payments from product providers who sponsor and attend training presentations, conferences and/or professional development days. Amounts vary between product providers and Up Wealth Management do not directly share in the sponsorship payment; however, we may indirectly benefit as these payments subsidise the costs associated with these training and professional development events.

Distribution Allowance

MLC Limited pays a distribution allowance to National Wealth Management Services Limited, a related body corporate of NAB, in respect of the distribution of MLC Limited's insurance products by licensees in the NAB Group (including NAB). This amount is not ascertainable at this time and will depend in part on the value of MLC Limited's insurance portfolio relating to insurance distributed through NAB and its related bodies corporate and the performance of NAB and its related bodies corporate against agreed annual performance criteria.

This allowance is not shared with us and does not represent an additional charge to you.

Referrals

Referrals from a third party

At present we do not have any referral arrangement in place to pay a third party referrer a referral fee, commission or other benefit. If this changes, we will make you aware of this prior to providing advice, or further advice, to you.

Referrals to a third party

At present we do not have any referral arrangement in place to provide referrals to third parties in return for payment or other benefit. If this changes, we will make you aware of this prior to providing advice, or further advice, to you.

Business Equity Valuation (BEV)

In the event of our death or permanent disablement, or if we were to leave the financial planning industry, GWM Adviser Services Limited provides a buyer of last resort option called BEV. This helps manage the transition of ownership to ensure you continue to receive advice.

In addition, we are part of a corporate structure and have a succession agreement in place to manage the transition of ownership should we leave the business.

Our business operates in a corporate structure. This model is less likely to be eligible for BEV as all the Principal Advisers in our business would have to either leave the industry, die, or become permanently disabled.

The value of any sale under BEV is based on a multiple of ongoing revenue received by the business on an annual basis. Importantly, BEV is subject to us meeting certain compliance requirements and standards.

How we charge for our services

All fees and commissions are inclusive of GST and the fees could be greater than those disclosed below in complex cases. In these instances, we will inform you of the exact fee payable promptly in writing.

Initial consultation	There may be a fee of up to \$550 for the first meeting
Advice preparation	For us to provide and document our advice there will be a cost. The fee will depend on the nature and complexity of the advice and the size of the investment portfolio: The minimum fee charged is \$550 while the maximum fee is \$15,000.
Implementation (fee for advice)	We may choose to put in place an implementation fee. This fee will depend on the nature and complexity of the transaction and the size of the investment portfolio: This may range in between \$550 to \$15,000.
Ongoing fee for advice	For our ongoing service offer there will be a cost for the services provided. The minimum fee is \$330 while the maximum is \$40,000 pa.
Fixed Term Advice and Services Agreements	You can elect to enter into a 12 month Fixed Term Advice and Services Agreement as part of your financial planning strategy so you can receive advice services such as a meeting to review your plan. Details of the services will be set out in your 12 month Fixed Term Advice and Services Agreement. The fee applied will be commensurate to the level of service needed and the complexity of the advice provided and will be outlined and agreed with you in the Agreement.
Ad hoc advice	Where you do not wish to participate in an ongoing service fee arrangement but require ongoing advice on an ad hoc basis, an hourly fee of between \$165 and \$550 may apply.
Execution only service	Where we provide a financial service to facilitate buying or selling of a specific financial product as instructed by you, a one-off minimum of \$165 and a maximum of \$550 fee may apply.

Insurance products

Where we arrange a life insurance product for you, the relevant insurer will pay an initial commission to us. The commission is calculated as a percentage of the premium paid (and may include health, occupational, frequency and modal loadings and policy fees, but excludes stamp duty).

Annual commission will also be paid when you renew your policy each year.

The rates of initial and ongoing commission will depend on the date the policy is issued and are set out in the table below:

Date policy is issued	Initial Commission (% of annual policy cost including GST)	Ongoing Commission (% of annual policy cost including GST)
Before 1 January 2018 or before 1 April 2018 (where the application was received before 1/1/18)	up to 130%	up to 33%
From 1 January 2018	up to 88%	up to 33%
From 1 January 2019	up to 77%	up to 33%
From 1 January 2020	up to 66%	up to 33%

We may receive commission at pre 1 January 2018 rates if:

- you increase your cover, add new cover or otherwise amend a policy purchased by you before 1 January 2018; and
- that policy amendment results in commission receivable by us, and
- that policy amendment is eligible for pre-1 January 2018 commission rates.

Example (all figures include GST):

You purchase the policy for \$1000 on 1 December 2019. We may receive an initial commission of up to \$700 ($\$1000 \times 77\%$) in the first year and ongoing commissions of \$330 per annum ($\$1000 \times 33\%$) for as long as you continue to hold the policy.

If you increase your cover on 1 July 2020 for a cost of \$500, we may receive an initial commission of up to \$330 ($\$500 \times 66\%$). The ongoing commissions on the additional cover may be up to \$165 ($\$500 \times 33\%$). This is in addition to the ongoing commissions of \$330 per annum when the policy was purchased. Total ongoing commissions payable to us may be up to \$495 ($\$1500 \times 33\%$).

Please note that the initial and ongoing commissions on life insurance products are paid to us by the product provider and are not an additional cost to you.

Pre-existing arrangements

For existing clients already in an established commission arrangement, we may receive commission on investment products or margin lending products held. For investment products the relevant product issuer will pay initial commission between 0% and 5.5% and ongoing commission between 0% and 0.88% of the value of your investments for as long as you hold the product. For margin loans the relevant product issuer will pay an ongoing commission between 0% and 0.88% of the outstanding loan balance. Commissions are paid to us by the product provider and are not an additional cost to you.
